

***Windsor's Student Showcase*** does just that: highlights the artistic ability of students and the unique business opportunities offered by FBLA. Students can create artwork and discuss possibilities to apply it to an actual product. T-shirts, notebooks, and calendars are common, but the sky's the limit! Approved products are created, stocked, and sold. Profits go toward future Showcases, scholarships and giveaways for promotional events. The cross-curricular program ties the school community together. It's located in the newly opened Bookstore on the lower circuit near the District Office.

**Featured artists:**

**Austin Schmidt, Bridgette Beavers, Alex Kilgallon and Zach Augustine.**
