SEEDING CRITERIA
READ CAREFULLY

Fill out the Prestige Points Seeding Worksheet for your athletes and only add the Highest Placement Prestige points (list their accomplishment to earn prestige points) to your Athlete's record totals. To accommodate various section's/states' placement systems in multiple divisions, prestige points will only count to 4th in the sectional/district tournaments. Placement in the previous Windsor Christmas tournament will follow sectional placement, with class placements melded in as well. *We will not use head to head criteria to separate close athletes.*

Regardless of points, **State Place Winners and Section Champions** only may be moved in seeding for common sense purposes as agreed to by coaches in past tournaments. Past and previous records are added first (Varsity Matches Only!) then prestige points will be added to record totals.

These Seeding sheets are due to me by Tuesday, December 26th at 2:00pm or preferably sooner. You can email them to jnolan@windsor-csd.org to ensure they are received. *There will be no seeding meeting.* *Enter one athlete per weight and athletes are locked in to the weight you email them at. They may not be moved up or down. Also, athletes may be added the day of as replacements, however, I don't see this happening too often and they will be **drawn** in. If I do not receive your seeding criteria by Tuesday the 26th by 2:00pm your team will be eliminated from the tourney. Seeds will be posted on my webpage <http://www.windsor-csd.org/WindsorChristmasTournament.aspx> and emailed to you Tuesday the 26th or as soon as they are finished.

Calculations: All wins = 5 points All losses= -3

Example:

Joe Smith was 20-10 in 14-15.

He gets 100 points for wins minus 30 points for losses

His previous year's record points = 70 points

This year he is 10-2

He gets 50 points for wins minus 6 points for losses

This year's record points = 44 points

Total record points = 114

Joe also placed 3rd at the sectional tournament. **Prestige Points = 65**

Joe's total seeding points: 179

***ONLY the highest placement accomplished should be awarded for prestige points.** Do not add class points to sectional points ETC. Take the highest point value from the chart for your athlete's prestige points. Only Last Year's events are counted.
