

Dive In, Pool Together, Make a Splash!!!

The Windsor Community Pool Association is in the running for a \$250,000 grant for the month of July through the Pepsi Refresh Grant Project. Starting July 1st you can go on the www.pepsirefresh.com website and vote for our project. We are asking everyone to please vote daily and to please send this on to everyone in their address book and ask them to do the same. The voting is by email address and not household, so therefore anyone in the household who has an email can vote daily.

This is a wonderful opportunity for our community. It was nice to see that the surrounding communities pulled together on the Eddy's Ice Cream Orchard Project that was awarded to CHOW recently. It would be nice to see the same thing happen for the pool as well.

In the past many people from the surrounding areas have enjoyed swimming in the pool while waiting for their next up at bat during the Windsor Youth Program tournaments at the park. Way, way back in time many adults enjoyed the "adults only evening swims". Our hope is to see this pool open once again so that the next generations can enjoy this wonderful opportunity that was shared by so many.

We hope that everyone will give just a few moments of their time over the next 31 days.
