

ENROLLING NEW STUDENTS

We welcome you to Windsor Central School District

The following information should help make the enrollment of new students an efficient process:

- A parent or legal guardian must accompany the student. The student must be living with and registered by a parent or guardian that lives in the Windsor Central School District. The Principal of the building, prior to enrollment, must approve custody/guardianship papers if applicable.
- Call in advance prior to coming in to register – Building phone numbers are available in the 'Contact Us' section of this website. You will register your child at the building they will be attending. Please call the Transportation Dept. @ (607) 655-8241 if you are not sure which building your child will be attending.
