

January 2021

To Our Bell Families-

I hope this finds you all well and that you enjoyed a wonderful holiday with your children.

I would like to begin by thanking all of our families for your continued support as we navigate this school year. The success of the past 4 months is the direct result of your flexibility and understanding of the changes we had to implement and we are incredibly appreciative.

Even with all of the changes this year has brought, we were still able to enjoy some great holiday activities. Thank you to our Student Council for putting together a fun spirit week and to our Friends of FL Bell PTO for providing a COVID safe holiday treat for everyone to enjoy.

For our in-person learners, our goal is to get outside as often as possible, so please send in that winter gear for those January and February recess times.

Beginning this past Friday, each of our Windsor students brought home breakfast and lunch for the weekend. This will continue throughout the remainder of the year at no cost to our families or district.

Over the holiday break, Dr. Andrews sent a communication regarding COVID testing, should it become a requirement for our district. Thank you for considering allowing your children to participate. If you are willing, you may register at <https://www.familyid.com/organizations/windsor-central-school-district>

Finally, we wish all of our Bell Families a Wonderful New Year and thank you for your partnership as we work together to make this school year a tremendous success for each and everyone of our Bell Buddies.

Sincerely,

Lorrie Hulbert
