Ms. Christina Taylor, Counselor
ctaylor@windsor-csd.org
Mrs. Dimitra Modlo, Counselor
dmodlo@windsor-csd.org
Mrs. Heather Noyd, Career Counselor
hnoyd@windsor-csd.org

School and Community

Windsor Central High School is a public school accredited by the New York State Education Department. The present educational facility was opened in 1974. The school serves the townships of Colesville, Kirkwood, Sanford and Windsor, a rural area of great beauty near Binghamton in New York's Southern Tier.

The September 2018 enrollment for grades 9-12 was 517 students with a teaching staff of 47. There were 121 graduates in the class of 2018.

Course Levels

Most courses are heterogeneous in nature and students are individually assisted in course selection by their school counselor. However, some courses at Windsor are offered by ability groupings to provide students with a course that is compatible with their capabilities, experiences, interests and career goals.

Rank in Class

In computing rank-in-class positions, all final averages will be computed. All college level courses taught at the high school including; AP, SUNY Broome Community College, SUNY Albany and Project Lead the Way courses are weighted 1.1 in the calculation of GPA.

Curriculum (Grades 9-12)

4 English 5 exams Regents Diploma
4 Social Studies 9 exams Advanced Regents Diploma*
3 Science
3 Math * Additional 4 regents exams
1/2 Health in science, math, and foreign
2 Physical Ed language

SAT Results

82 percent of the class of 2018 took the Scholastic Aptitude Test.

Average SAT Score	Math	Writing	Mean Score
Windsor Central HS	531	520	1050
New York State	484	479	962

Minimum of 22 credits

Marking System

Marks are computed on a numerical basis. The passing grade is 65%. Letter grades are converted to a numerical grade as follows:

Marking System	
90 - 100	A
80 - 89	B
70 - 79	C
65 - 69	D
0 - 64	F

Honor Roll

In order to be considered for the Honor Roll, a student cannot receive a failing grade. All courses are used to compute GPA for Honor Roll consideration. Honors are as follows:

Honor Roll	
High Honors	93 % and above
Honor Roll	88% to 92.9%
Merit Roll	80% to 87.9%

Special Curriculum Feature

Guidance and Counseling: The guidance counselor will play an integral role in the planning of each student's high school program. Every student will be assigned a counselor for the duration of their high school years. Counselors will assist students with class schedules, career options, college plans and personal issues as needed. Through the Career Pathways curriculum, students learn how to access and utilize Career Exploration Resources.

SUNY Broome Fast Forward Program: Concurrent enrollment programs, such as SUNY Broome Community College's Fast Forward Program, promote and offer challenging college-level courses while simultaneously meeting high school graduation requirements. As colleges experience high remediation rates, programs such as Fast Forward play an increasingly vital role in building all-important partnerships between high schools and colleges.

Project Lead the Way: The high school program is a four year sequence of courses which, when combined with traditional mathematics and science courses in high school, introduces students to the scope, rigor and discipline of engineering prior to entering college.

University in the High School Program: The University in the High School Program at the University of Albany includes course offerings from 23 academic departments. UHS Program courses provide students with the academic challenges of college-level curricula during their final year(s) of high school. As a "bridging" experience to college, UHS courses can help students begin to develop skills and experience necessary for academic success in higher education. Enrollment in UHS courses may provide future opportunities to students, such as the ability to enroll in higher-level college courses or to complete a four-year degree in a shorter amount of time.

New Visions Program: New Visions is a 1-year BOCES program for high school seniors. It provides an in-depth overview of a chosen professional field by placing the student into an actual work environment. Career academies currently exist in the areas of Health, Engineering, Business and Law and Government. New Vision integrates English, Government and Economics into a meaningful curriculum based on the career interest area. The classroom is located in the job area of the chosen course of study.

Students are selected based on a rigorous application and interview process. These students must be academically strong and must have completed three years of regents Math, Science, English and Social Studies.

Physical Education and Health: Students are required to complete four years of Physical Education and one half-year credit in health. A one-half credit elective in psychology is offered to juniors and seniors.

Independent Study: Students may request that a teacher offer a course that isn't available in the regular curriculum. Period of study may range from twenty weeks to a full year. Credit may range from one-half to one full credit.

Occupational/Technical: WCHS is a member of BOCES. Students are enrolled in occupational education programs on a half-day basis.

English:

- English 9, 10 and 11
- Honors English
- AP English Literature
- AP English Language
- College English
- Great American Films
- Creating Writing

Social Studies:

- Global Studies 9
- Global Studies 10
- AP World History
- US History
- AP US History & Government
- Economics
- American Politics & Gov't
- BCC Public Policy
- BCC Economics
- Genocide
- Civic History

Mathematics:

- Integrated Algebra
- Integrated Geometry
- Integrated Algebra 2
- Pre-Calculus (Math IV)
- SUNY Albany Calculus
- Integrated Algebra - Part 1
- Integrated Algebra - Part 2
- Intermediate Algebra 2
- Foundations for College Math
- SUNY Albany Elementary Statistics

Science:

- BCC College Chemistry
- AP Physics
- Regents Earth Science
- Living Environment
- AP Biology
- Regents Chemistry
- Regents Physics
- Forensic Biology
- Applied Chemistry I
- Applied Chemistry II
- Sports Science
- Forces of Nature

Foreign Languages:

- French 1, 2, 3, 4
- Spanish 1, 2, 3, 4
- BCC Spanish
- BCC French

Business:

- Marketing
- Accounting
- BCC Integrated Microsoft Office
- Foundation in Personal Finance & Technology
- Business Entrepreneurship
- Business Math

Pathways:

- Intro to Ag
- Agricultural Math
- SUNY Broome EDU 111
- Binghamton University EDU 101
- Trades III
- Computer Science

Art

- Studio Art
- Painting
- Drawing
- Sculpture
- Digital Photography I
- Digital Photography II
- Animation
- Art Portfolio
- AP Studio Art
- Mixed Media

Future Plans

Total Graduates:	121
College	73%
Work	18%
Military	2%
Other Education	1%
Undecided	6%
2 year	45%
4 year	20%

Our Vision

We aspire to be a world-class community school that is the district of choice.

Our Mission

Ensure each learner is future-ready by providing empowering educational experiences.

We Believe that

- Everyone can learn and grow at ambitious levels.
- Each day we strive to provide a healthy, safe and secure environment.
- We pursue excellence and are mutually accountable.
- High performance requires a culture of collaboration and empowerment.
- We embrace inquiry, creativity and innovation to continuously improve.
- We value and welcome diversity, treating all fairly and equitably.
- All learners deserve opportunities to explore and pursue their preferred future.
- Building and maintaining partnerships is essential
- We act with integrity and treat all with compassion and respect.

Our Goals

1. Achieve 4-year graduation rate of > 92%, 5-year graduation rate of > 95%, and drop-out rate of <4%.
2. Improve student performance on state assessments to rank in top 3 districts in BT-BOCES on average
3. Achieve 85% of students reading at or above grade level in grades K-8
4. Attain 95% participation in school/community programs among students in grades PK-12
